

Oleanolic acid

Cat. No. HPE-012

type

High Purity Extract

CAS NO.

508-02-1

Molecular Formula

$C_{30}H_{48}O_3$

Molecular Weight

456.70

Specification

Kilogram class

Purity

$\geq 98\%$

Supply

Large quantity in stock

Expiration Date

2 years

Use

Used for content determination, identification, pharmacological experiments, etc.
