

Tribulus Terrestris Extract

Cat. No. SDE-061

Specifications

UV 40-90%

Applications

Anti-fatigue

Detail Information

Tribulus terrestris saponins have fall blood pressure, fall hematic fat, resisting sclerosis of arterial congee, anti-aging, and strong effect.

Character

Brow powder

Plant Origin

Tribulus terrestris L.

Active Ingredient 2

Protodioscin

Molecular Formula : C₅₁H₈₄O₁₂

Mol. wt. : 1049.21

CAS No. : 55056-80-9

Structural Formula :
