

# Pork Extract

Cat. No. AEP-001

Lot. No. (See product label)

---

## Product Name

Pork Extract

## Protein (g)

99.6

## Nitrogen (g)

15.9

## Moisture (g)

3.9

## Total Plate Count (CFU/g)

1000

## Salmonella

Negative/25 grams

## Yeast/Mold (CFU/g)

## Coliform (MPN/g)

## E. Coli (MPN/g)

≤10

## Color

Light beige powder, tan solution.

## Product Description

Our pork extract is derived from natural, edible pork bones and attached meat, minimally processed to meet the strict standards of the extract in question. It is prepared and standardized to help unlock the full potential of microbial cell culture applications.

## Product Advantages

- High solubility
- Increased yield
- Stable protein concentration
- High stability
- Reduction of bacteria and viruses
- Extremely cost effective
- Easy to use
- Ready to use

## Packing

Heat-sealed, multi-wall Kraft bag with an inner polyethylene liner.

## Application

Microbiological cell culture, immunohistochemistry, various nutrient broths.

## Storage

Shelf life is 2 years from date of manufacture when stored in a cool, dry environment.
