

# Beef Extract (Spinal Column Free)

Cat. No. AEP-003

Lot. No. (See product label)

---

## Product Name

Beef Extract (Spinal Column Free)

## Protein (g)

98.3

## Nitrogen (g)

15.7

## Moisture (g)

5.4

## Total Plate Count (CFU/g)

5000

## Salmonella

Negative/25 grams

## Yeast/Mold (CFU/g)

## Coliform (MPN/g)

## E. Coli (MPN/g)

≤10

## Color

Light beige powder, tan solution.

## Product Description

Our extract is sourced from naturally edible bovine bones, tissues and beef, spine free, minimally processed and meets stringent regulatory inspection standards. Carefully prepared and standardized, it can be used to its full potential in a range of microbial cell culture applications.

## Product Advantages

- High solubility
- Increased yield
- Stable protein concentration
- High stability
- Reduces bacteria and viruses
- Extremely cost effective
- Easy to use
- Ready to use

## Packing

Heat-sealed, multi-wall Kraft bag with an inner polyethylene liner.

## Application

Triple sugar iron (TSI) agar, for differentiating a number of enteric bacteria.  
Growth of various bacterium.

## Storage
