

Ginsenoside-Liposomal Rg3

Cat. No. SOM-001

Lot. No. (See product label)

Product Name

Ginsenoside-Liposomal Rg3

Specification

5-10%

Name of Active Substance

20(S)-Ginsenoside Rg3

Origin

American ginseng extract.

CAS No.

14197-60-5

Formula

C₄₂H₇₂O₁₃

Molecular Weight

785.01

Application

Used as health food, nutrition supplements, used for enhance body immunity.

Storage and Stability

Store in tightly closed original container, protected from light, in a dry cool place.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
