

Ginsenoside-Liposomal Rg2

Cat. No. SOM-002

Lot. No. (See product label)

Product Name

Ginsenoside-Liposomal Rg2

Specification

5-10%

Name of Active Substance

20(S)-Ginsenoside Rh2

Origin

American ginseng extract.

CAS No.

78214-33-2

Formula

C₃₆H₆₂O₈

Molecular Weight

622.87

Application

Used as health food, nutrition supplements, used for enhance body immunity.

Storage and Stability

Store in tightly closed original container, protected from light, in a dry cool place.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
