

Liposomal Glutathione

Cat. No. SOM-006

Lot. No. (See product label)

Product Name

Liposomal Glutathione

Specification

0.7

Name of Active Substance

L-Glutathione reduced

Origin

Fermentation

CAS No.

70-18-8

Formula

C₁₀H₇N₃O₆S

Molecular Weight

307.32

Application

Used as health food, nutrition supplements, food and drinks.

Storage and Stability

Store in tightly closed original container, protected from light, in a dry cool place.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
