

Liposomal Coenzyme Q10

Cat. No. SOM-007

Lot. No. (See product label)

Product Name

Liposomal Coenzyme Q10

Specification

0.3

Name of Active Substance

Coenzyme Q10

Origin

Fermentation

CAS No.

303-98-0

Formula

C₅₉H₉₀O₄

Molecular Weight

863.34

Application

Used as a health food, nutritional supplement, and also for the prevention of migraines and Parkinson's disease.

Storage and Stability

Store in tightly closed original container, protected from light, in a dry cool place.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
