

Liposomal NMN

Cat. No. SOM-008

Lot. No. (See product label)

Product Name

Liposomal NMN

Specification

0.7

Name of Active Substance

β -Nicotinamide mononucleotide

Origin

Enzymatic

CAS No.

1094-61-7

Formula

C₁₁H₁₅N₂O₈P

Molecular Weight

334.22

Application

NMN is used as a health food and nutritional supplement for anti-aging, maintaining walking speed and improving sleep quality in the elderly.

Storage and Stability

Store in tightly closed original container, protected from light, in a dry cool place.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
