

Wheat Germ Oil

Cat. No. NOP-003

Lot. No. (See product label)

Product Name

Wheat Germ Oil

Botanical Source

Triticum aestivum

Appearance

Clear golden yellow to yellow oil.

Plant Part Used

Germ

Description

Wheat germ oil is a natural oil extracted from the germ of wheat kernels. It is a rich source of vitamins, minerals, antioxidants, and fatty acids, making it a valuable supplement for health and beauty. It also contains a balanced blend of omega-3, omega-6, and omega-9 fatty acids, which are essential for heart health, brain function, and overall well-being.

Application

Wheat germ oil is commonly used as a nutritional supplement, in skincare and hair care products, and as a food additive.

Function

Improves heart health. Wheat germ oil helps lower cholesterol levels and reduces the risk of heart disease.

Boosts the immune system. The antioxidant and anti-inflammatory properties of wheat germ oil help build a healthy immune system.

Healthy skin and hair. The vitamins and fatty acids in wheat germ oil nourish and protect skin and hair, improving their appearance and overall health.

Reduced Inflammation. The anti-inflammatory properties of wheat germ oil may help reduce inflammation in the body associated with various health conditions.
