

# Millet Powder

Cat. No. FIP-015

Lot. No. (See product label)

---

## Product Name

Millet Powder

## Parts Used

Grains

## Form

Powder

## Color Appearance

Pale white color powder.

## Product Applications

Nutritional supplements, cosmetics, herbal teas, capsules, tablets, functional foods and beverages.

## Product Offerings

Millet powder.

## Product Description

Millet powder is a versatile and nutritious product made from finely ground millet grains, a group of small-seeded, drought-resistant cereals grown widely across the world.

Millet powder is celebrated for its impressive nutritional profile. It is a rich source of essential nutrients, including dietary fiber, protein, B vitamins, minerals, and antioxidants. Millet is naturally gluten-free, making millet powder a valuable option for those with gluten sensitivities or celiac disease.
