

# Emodin

Cat. No. EXT-031

Lot. No. (See product label)

---

## Product Name

Emodin

## Product Overview

The product belongs to plant extract.

## Source

Rhubarb, Senna leaf, aloe vera

## Form

Orange needle crystal

## Molecular Mass

270.24

## Solubility

Soluble in ethanol, slightly soluble in chloroform and benzene, but insoluble in water.

## Applications

Can be used as a laxative.

## Molecular Formula

C<sub>15</sub>H<sub>10</sub>O<sub>5</sub>

## EINECS

08-258-8

## CAS

518-82-1

## Content

0.98

## Storage

2-8°C
