

Phosphatidylserine

Cat. No. EXT-068

Lot. No. (See product label)

Product Name

Phosphatidylserine

Product Overview

The product belongs to plant extract.

Source

Natural soybean oil residue

Form

White powder

Molecular Mass

792.081

Synonyms

1,2-Distearoyl phosphatidyl serine; 1,2-Distearoyl-sn-3-glycerophosphoserine; Distearoylphosphatidylserine;

Function

Improve brain function, focus attention, relieve stress, promote the recovery of brain fatigue, balance emotions.
Helps repair brain damage.

Molecular Formula

C42H82NO10P

CAS

51446-62-9

Content

0.6
