

# Triptolide

Cat. No. EXT-109

Lot. No. (See product label)

---

## Product Name

Triptolide

## Product Overview

The product belongs to plant extract.

## Source

The roots, leaves, flowers, and fruit of the *Tripterygium wilfordii*

## Form

White powder

## Molecular Mass

360.4

## Solubility

Insoluble in water, soluble in methanol, dimethyl sulfoxide, absolute ethanol, ethyl acetate, etc.

## Synonyms

TRIPTOLIDE; TRIPTOLIDE, TRIPTERYGIUM WILFORDII; TRIPTOLIDE TLC;

## Function

Triptolide has anti-inflammatory and immunosuppressive effects.

## Molecular Formula

C<sub>20</sub>H<sub>24</sub>O<sub>6</sub>

## EINECS

300-006-3

## CAS

38748-32-2

## Content

0.98
