

Cepharanthine

Cat. No. EXT-127

Lot. No. (See product label)

Product Name

Cepharanthine

Product Overview

The product belongs to plant extract.

Form

White powder

Molecular Mass

606.71

Applications

Used as an analgesic, can be used as a white blood cell proliferation drug.

Molecular Formula

C₃₇H₃₈N₂O₆

CAS

481-49-2

Content

0.98
