

Sclareolide

Cat. No. EXT-152

Lot. No. (See product label)

Product Name

Sclareolide

Product Overview

The product belongs to plant extract.

Form

White powder

Molecular Mass

250.38

Applications

Formulate various cosmetics and perfumes.

Molecular Formula

C₁₆H₂₆O₂

EINECS

209-269-0

CAS

564-20-5

Content

0.97
