

Plant ER Crude Isolation Kit

Cat. No. *PER03*

Lot. No. (See product label)

Product Name

Plant ER Crude Isolation Kit

Type

Kit

Size

10 preps

Physical State

Liquid

Hazards Identification

Not available

Application

Crude isolation of endoplasmic reticulum in plants.

Storage Condition

Store at 2-8°C.

Shelf Life

6 months

Transportation Type

Drikold

Disposal Considerations

Waste must be disposed of in accordance with local control regulations.

Usage

For Research use only.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
