

Peanut Protein Powder

Cat. No. OPP-11

Lot. No. (See product label)

Product Name

Peanut Protein Powder

Package

25 kg/drum

Product overview

Peanut Protein Powder is a kind of vegetable protein with no protein heat denaturation and high nutritional value.

Description

It completely retains the nutrients in peanuts. It has high soluble protein and NSI value, good water solubility, whiteness, light flavor, and has the unique fragrance of peanuts. Its nutritional value can be compared with animal protein. Vitamins, trace elements and minerals have an effective utilization rate of 98%, are easily digested and absorbed by the human body, and contain fewer anti-nutritional factors than soybeans. It is a natural nutritional product with low sugar, low fat, no cholesterol, and high nutrition.

Specification

Yellow Fine Powder, Characteristic odor and taste, Min. 50%Protein(on dry basis), low sugar, low fat, no cholesterol, and high nutrition

Application

Nutritional food, Athlete food, Health food for special populations.

Features

Good solubility, Good stability, Low viscosity, Easy to digest and absorb

Shelf life

2 years

Storage

Keep in a cool, dry, and clean place, Protect from moisture and direct light.
