Product overview

Organic Pomegranate is a ruddy natural product, full of hundreds of seeds encompassed by a red, delicious mash called an aril.

Description

Organic Pomegranate Juice Powder is idealized for including a wealthy antioxidant boost to smoothies or vitality drinks. It is an amazing source of powerful cancer prevention agents like flavonoids and polyphenols, which diminish oxidative harm to cells caused by destructive free radicals. The wealthy antioxidant levels in pomegranates may decrease the hazard variables for heart disease. Moreover, wealthy in vitamins and minerals, pomegranate powder bolsters your body's characteristic defense framework so that you just can battle off colds and sicknesses. This Juice Powder is especially rich in vitamins C, B1, B2, B3, B6, and B13, Calcium, Carbohydrates, and Proteins.
