Description

Organic Carrot Juice Powder is 100% derived from organic root vegetable carrots juice, commonly orange in color, but there are variations of purple, red, white, and yellow carrots. A taproot is the most widely consumed portion of a carrot, although occasionally the greens are also eaten. It is a domesticated form, native to Europe and southwest Asia, of the wild carrot *Daucus carota*. The organic carrot was picked to prepare this Organic Juice Powder, which is free of GMOs and is rich in vitamins and minerals, and provides essential nutrients to the body. It supports the immune system, and metabolism, and prevents night blindness. Daily consumption of Organic Carrot Juice Powder has a range of health benefits such as detoxification of the liver, appetite boost, improves night vision, energy recovery, and so on. It is especially rich in carbohydrates, Vitamin K, Vitamin A, and Vitamin B6, it also contains beta carotene and Lutein Zeaxanthin which is useful to our eye health. The powder dissolves instantly in water, making it a perfect veggie option for your smoothie.
