Product Name

Organic Pure Beetroot Powder

Package

25 kg/drum

Product overview

Organic Pure Beetroot Powder is extracted from organically grown, NON-GMO Red Beet Root, together with its all essential compounds.

Description

Beetroot is a root vegetable, which contains all essential minerals and vitamins in its roots. Organic Pure Beetroot Powder contains a large number of nutritional supplements like carbohydrates, fibers, proteins, essential amino acids, fatty acids, vitamins, minerals, and bio-active compounds including betalain, carotenoids, flavonoids, alkaloids, and so on. This product has beneficial effects on fighting inflammation, improves athletic performance, many nutrients in few calories, improves digestive health, high antioxidant properties, improve oxygenation to the brain, slowing the progression of dementia in older adults, and so on. Some researchers have shown that Red Beet Root Juice, because of its high concentration of antioxidants and bio-active compounds has a beneficial effect on the treatment of cancer and is applied in cancer treatment as a supportive beverage.
