

Corn Oligopeptides

Cat. No. PAE-074

Lot. No. (See product label)

Product Name

Corn Oligopeptides

Package

25 kg/drum

Product overview

Corn oligopeptides is thermostable, solvable in water. The aqueous solution shows transparent. The viscosity of the solution has nearly nothing with its concentration and temperature. In high temperature, the viscosity has not great change. In the amino acid composition of corn peptides, Glutamic acid, Alanine, Leucine, and Proline dominate others, and these several kinds do a great deal to the metabolism of alcohol in vivo and antifatigue.

Application

Antihypertensive products, Sobering up products, Liver protection products, Products for enhancing immunity and sports ability, Athlete food, Hypolipidemic food; Fortified protein drink; Vegan & vegetarian food.

Features

Plant based protein, Complete set of Amino Acid; Allergen (soy, gluten) free, GMO free Pesticides free, low fat, low calories, Basic nutrients, Vegan, Easy digestion & absorption.

Shelf life

2 years

Storage

Keep in a cool, dry, and clean place, Protect from moisture and direct light.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
